# Pharmacy Technician Professional Career Diploma

## Advance Your Career in Pharmacy

National Career Launch has partnered a long standing and established academic partner to offer an accredited, online phlebotomy technician program that helps you build essential skills and prepare for the National Healthcareer Association (NHA) Certified Phlebotomy Technician (CPT) Exam.

## Program Benefits:

- ✓ **ASHP/ACPE Accredited**  
ASHP/ACPE-accredited pharmacy technician training is now required or strongly encouraged by several state Boards of Pharmacy.
- ✓ **Immersive Learning Experience**  
Coursework features interactive content, practical labs, and real-world simulations.
- ✓ **Hands-On Training**  
Apply your skills with a required 160-hour externship.
- ✓ **Certification Exam Coverage**  
Cost of the PTCE certification exam and pre-PTCE is included.

## Why Enroll?

### Career Growth

Build the skills and confidence to take on new responsibilities and grow within your current role.

### Work While You Learn

Flexible, online learning that fits your schedule, so you can keep working while you build your skills.

### Job Aligned Training

Courses are designed with employers in mind. Helping you reach your employment goals and beyond.

### Robust Support

Get support from instructors, academic coaches, and student success resources every step of the way.
